

## A Laser Check

Want the convenience of printing single or multiple checks quickly from your laser printer? Create a check with an itemized list of labor hours, expenses, or multiple invoices printed on perforated stubs. You keep one stub for the office and your staff keeps one for their personal record-keeping.

- Attractive linen and marble background colors

## C Security Deposit Bags

Safely deposit contributions and funds with SECUR-PAK Security Deposit Bags. Traceable by numbering printed on the bags and tamper-evident with serrated edging, all of which add an additional internal control.

- If an attempt to open the sealed bag is made, serrated edging will self-destruct by tearing into small pieces
- Sequential numbering, both on the bag and removable receipt, allows each bag to be tracked individually
- All sizes have outside pouches to hold deposit tickets
- Make your deposit at any bank where night deposit is available: no key is required
